**District Superintendent's Report**

Dear Parents, Teachers, and Community Members,

Orangeburg Consolidated School District Four is building futures for our students - one day at a time! We began our year with a solid commitment that all students deserve a first class, 21st Century learning opportunity. Our students will be faced with a job market that we cannot yet imagine. We must prepare each student to be a lifelong learner who possesses the self-initiative to be a problem solver and critical thinker.

We continue to provide meaningful professional development for our staff so that they can be prepared to instruct at a high level and meet the needs of our diverse learners. Common Core continues to be an area of focus as we prepare for the transition to these rigorous standards. We believe that our students are capable learners and with the proper planning and daily instruction, these standards will prepare them well for the future.

Technology is ever-changing, and we are engaged in meaningful conversations with our stake-holders to insure that we are moving in the right direction. This process is not without obstacles, but we are dedicated to making technology integration an integral part of our instruction.

Our students are amazing! As I visit the schools and interact with teachers and students, I am proud of our young learners. OCSD4 is blessed with a strong community support system that includes parents, teachers, and our faith-based organizations. Through the Community of Character Program, we see our students demonstrating the characteristics of good character. We have many examples of our students working to provide service to others and contributing to our community.

On the playing field, we have a first time celebration for our HKT-H Trojans! On November 29, 2013, the Trojan football team won the Division II, Class A State Championship when they defeated Timmons ville 26-8.

On the court, we also celebrated the outstanding performances of the BHS Lady Yellow Jackets Volleyball Team who finished the 2013 season as a State runner-up for the 4th straight year.

OCSD4 is proud of our students and teachers. We believe that we have the privilege of inspiring our young students in the classroom, on the playing field, and in the arts. We see evidence each day of the many successes our students achieve, and we celebrate their accomplishments.

OCSD4 continues to strive for excellence in all areas. Your partnership and support is critical to our success. Please join us as we are United FOUR Excellence.

Brenda Turner, Superintendent
